soul to pieces

we've watched the Romanian grey wolves find their true mates, fight against evil, and reunite with the other canis lupis in the world. Now we will see just how the most powerful alpha in their history met his match with the woman who became his mate and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy; every story has a beginning and an end. The alpha of the Romanian grey wolves knows this better than most. He also knows it's the things that transpire to create that legacy and the experiences, triumphs, and failures that happen in the middle of the story that matter. His story began a century ago, and now a tragedy has led him to his rightful place as alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race, he had to be willing to serve them in order to be raised up. He had to first be torn down. There was only one who could do this, and live only one who could light his way when the darkness closed in. His mate, his Luna, this is the building of their legacy: the middle of their story, their triumphs, their failures, and their tragedies that would one day make them strong enough to restore a race torn apart by greed, envy, and fear.

Read the series with over 100 thousand five-star ratings across all platforms. Readers love being a part of the Grey Wolves Pack. This is one of my absolute favorite series. Quinn has a way of telling a story with so much emotion you can almost feel what the characters feel. She tells the story with great detail and enthusiasm. Amazon verified review: This collection includes the first six books of the series at a discount of 50% off the regular price: *Prince of Wolves*, *Blood Rites*, *Just One Drop Out of the Dark*, *Beyond the Veil*, *Fate and Fury*. The Grey Wolves series follows the adventures of three high school seniors, Jacque, Jen, and Sally, as the girls are introduced to the hidden world of the Romanian Grey Wolves. The Grey Wolves universe is populated with dominant male alpha werewolves who slowly succumb to the darkness within them unless they find their true mates. It just so happens these three ladies are destined to become true mates to some of the most powerful males in the canis lupus world, but destiny won't be fulfilled without a fight. Female canis lupus are few and far between, and sinister dominant wolves will rise to challenge for the right to mate with these new, unique females, then ensuring chaos will undermine the strength of the packs. Just when a new threat to the canis lupus world emerges, one that can only be defeated by the strength that comes from the special union of true mates. What readers are saying: All-time favorite wolf series, my new favorite series. This book was my escape from all of it. The way Fane and Jacquelyn meet is right out of every girl's dream. This book is completely awesome. I'm loving the series. Can't wait to read the next one. I totally recommend this book. If you like shifter novels, then you'll love the Grey Wolves series. Don't start this series unless you're ready to join the pack; you will get hooked.

Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe has fallen before the combined might of the Romanian Grey Wolves and their allies among the supernatural races. But now the alliance doesn't fight a single supernatural threat; it's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their safety. Now the wolves face a unified force of evil: The Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes, but how can they do that when their enemies hold captive the pack's greatest treasures? Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

How much heartbreak can one person take? Perizada, high fae ambassador, mate, and friend to those in the Romanian pack, has lost her way. Everything about the fae is in question: her loyalty, her love, even her very existence. Still, her friends refuse to give up hope. The Order's compound has been brought to the ground, reduced to ash, but can Perizada's attack even be considered a victory?

given the sacrifice made to achieve it what of the innocents trapped within the compound's walls were any of those lives spared even with all they have faced the challenges the loss and pain fane jacque their pack and allies remain steadfast in their fight against evil past experiences give them hope that not all is as it seems perhaps there are hearts that still beat where others perished and always with them is their creator the great luna an ever present help in trouble she offers light when there is only darkness love when the heart is broken and forgiveness when transgressions overwhelm them their battle is far from over but there is no victory without sacrifice there is no light without darkness there is no joy without sorrow there are no miracles without faith

the award winning elfin trilogy in a complete box set elves both dark and light operate in secret to control some of the largest businesses in or our world when teenager cassie tate inadvertently witnesses a meeting of the alluring creatures at her father's office her life immediately becomes forfeit but she is saved by the most unlikely of heroes triktapic an elfin assassin the service of the dark elf king when trik realizes cassie is his chosen his loyalties become divided will trik continue to serve his dark nature or will he choose the one destined for him and leave his life of darkness behind his decision just might cost them both their lives follow trik and cassie's adventures as they are swept up into an ages old conflict between the light and dark elves the fate of humans and elves alike will hinge upon the decisions they make and ultimately their love for one another

long ago during the great purge the witches that had grown too many in number and too powerful were destroyed the high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified so they killed all of the witches and their creator or so they thought but they were wrong volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the dark forest now he's back and hell bent on rebuilding his army of witches only this time he's set his eyes on the gypsy healers to be the tool from which he creates them he already has two of the newly found healers jewel and anna with his blood running in their veins and though he thinks he's got it all planned out what volcan hadn't calculated into his formula of healers his blood witches was the healer's mates dalton and gustavo both males are more than ready to sink their teeth into the high fae who has taken their females with the darkness closing in on all four of them it is a toss up as to who will succumb to it first meanwhile the healers and wolves peri had stashed in the pixie realm are sitting ducks with the veil between them and the human realm locked the mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm perizada is once again fighting for those who are under her protection while at the same time trying not to kill them

herself considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period it s not certain who will destroy who the only thing that was certain none of them was willing to surrender throw in a powerful eccentric djinn who has suddenly gotten bored and things are guaranteed to get messy this is the continuation of the story of the five gypsy healers the fae who protects them and the wolves whose wrath will consume any who come between them
